

**Current Services Provided by Recology**

The current agreement requires Recology to provide solid waste and recycling collection services to residential, commercial and industrial customers, as well as school and City facilities, and to operate a buy-back/drop-off recycling center in Mountain View. Services include refuse and recycling collection, clean up programs, extra and special collections, compactor and roll-off box service. A summary of services is shown below:

- **Residential** services for homes (1-8 units), condominiums, townhouses, rowhouses, and mobile homes include:
  - Weekly refuse collection
  - Bi-weekly split-cart recycling collection
  - Bi-weekly yard trimmings collection
  - On Call Plus Clean Up (including bulky goods and e-waste)
  - Household batteries collection
  - Used motor oil collection
  - Extra collections of recycling, yard trimmings and refuse, and special collections.
- **Apartment** services (9 or more units) include:
  - Weekly refuse collection
  - Bi-weekly group cart recycling (some weekly services provided based on space constraints)
  - Special collection of bulky goods or extra refuse collection for a fee (apartments are considered commercial income-producing properties where the owner is responsible for clean up, and landscapers remove yard trimmings).
- **Business/School/City** services include:
  - Up to 6 days per week refuse collection of dumpsters and compactors
  - Free business recycling
  - Extra and special collections of refuse and recycling.
- **Roll-off box** services are provided to all residents and businesses (all boxes are sorted for recyclables at the SMaRT Station®). Services include:
  - Debris box
  - Reduced-cost yard trimmings box
  - Reduced cost cardboard box
  - “Rock” box for dirt, soil, rock or concrete.
- **Non-Recology Services** are provided by the City to residents at no charge separately from the agreement and include:
  - **SMaRT Station Drop-Off Services** for cooking oil, sharps disposal, confidential paper shredding, household batteries, used motor oil, e-waste, and pick up of free mulch and finished compost (no charge)
  - **County Household Hazardous Waste Drop-Off Events and Composting Workshops** for residents (no charge). Small businesses may also use the County’s Household Hazardous Waste services, but a fee may apply.
